Chardonnay

Grapes: Chardonnay

Vintage: 2019

Alcohol content: 13%

Vineyard: located at an altitude of 85m in a little plane wich goes from the river to the morainic hills. The soil is very variegated, calcareous and clayish with sandy spots

Training system and production: Spurred cordon, with a production of 90q/ha

Harvest: manual, september

Vinification: the flower must is kept in stainless steel tanks at controlled temperature (17°C)

Refinement: in stainless steel tanks

Color: bright and light yellow

Aroma: intense and typical of the variety. Hints of flowers and fruits (apple "golden", ananas...)

Flavour: dry, fresh, elegant. Good structure and balance

Food pairings: aperitives, appetizers, cheese, light first dishes and fish

Best served: 8-10°C
